406 - County Road Administration Board

A001 Administration

Statewide Result Area: Improve statewide mobility of people, goods, and services
Statewide Strategy: Effective transportation system governance and management

Expected Results

The result of regulation, research, and oversight has been, and should continue to be, accountability among the counties and from them to the Legislature and the public; credibility of reported data through centralized reporting; and effective, efficient, professional administration of county road resources and a centralized location of data from thirty-nine counties; an achieved economy of scale realized across thirty-nine road departments.

A002 Rural Arterial Program

Statewide Result Area: Improve statewide mobility of people, goods, and services

Statewide Strategy: Preserve and maintain state, regional and local transportation systems

Expected Results

The Rural Arterial Program successfully targets freight and safety issues on a regional basis. Competition within regions should ensure that only priority projects are constructed. CRAB staff remain in close communication with each county to make sure the program continues to be both responsive to individual counties' needs and effective in dealing with county freight and safety issues.

A003 County Arterial Preservation Program

Statewide Result Area: Improve statewide mobility of people, goods, and services

Statewide Strategy: Preserve and maintain state, regional and local transportation systems

Expected Results

CAPA provides a regular and dedicated resource for the purpose of county arterial preservation. By calculating the distribution on the basis of a certified road log, the result should be an accurate and current assessment of individual county arterial preservation need, as well as an equitable distribution among the counties. The requirement of pavement management systems within each county continues to ensure that every county is a part of a statewide stewardship effort to maintain the existing infrastructure investment.
